

Beckett EVENT CENTER

*We are all about
“Affordable Elegance”*

Welcome to Beckett Event Center

The Beckett Event center is a wedding and event center with elegant ceiling curtains, sparkling lights, chandeliers, and lights across the front of the room to give a magical, sophisticated feel. We have three indoor locations as well as an outdoor patio for ceremonies, and receptions. Our linen packages were created to be accustomed to our couples and to help make their wedding planning process go as smoothly as possible!
